

A stylized landscape illustration. The top half features a large, bright yellow sun partially obscured by dark, wavy, horizontal bands representing clouds or water. Below the sun are two rolling green hills. The number '77' is printed in a bold, dark blue font, centered over the sun. The word 'EDDY' is printed in the same bold, dark blue font across the bottom of the green hills. There are small, stylized yellow tufts of grass or reeds scattered across the green areas: one to the left of the '77', one between the '77' and 'EDDY', one inside the second 'D' of 'EDDY', and one to the right of 'EDDY'.

We've Only

We've only just begun to live. This school year is just one more step in our lives. For the Seniors, this is the last year before college or choosing a vocation. For the Juniors, it is the best year yet, full of excitement and activities. For the underclassmen, there's so much of life ahead.

Just Begun

With the new towel service that makes us each a number, the new gym floor which nobody can walk on with street shoes, the new principal and all of the new teachers, we're all working together day to day. And when the evening comes, we smile. We are all very proud of E.H.S. 1976-77 was a very good year!

The 1977 EDDY Staff is proud to dedicate the 1977 Eddy to a very deserving man, who, during his five years at E.H.S., has proven his pride in, admiration of, consideration for and dedication to E.H.S. and its students.

His aura of warmth and understanding and his remarkable talent to teach have helped many E.H.S. students.

Because of his kindness and accomplishments, the Eddy Staff takes great pride in dedicating the 1976-1977 Eddy to Mr. Jim Nockels.

FFA is agriculture's classroom

The 1976-77 was a great year for the FFA. Events such as fairs, contests, officers election, and State and National Conventions.

The summer is one of the busiest times for the FFA. Eddyville was represented at the Muhnsku County and State Fairs. A total of fifteen blue ribbons were earned.

A project which the FFA officers enjoyed was the teachers breakfast held before school had resumed.

In October, the new members received their Greenhand certificates, pins, and gate signs. In November, the Greenhands were awarded their Chapter Farmers degree.

November 11, five FFA members left for the FFA National Convention in Kansas City.

This year has been very busy and prosperous. Homecoming 1976

Homecoming week is always the most exciting week of school, but also the busiest week. Spirit week 1976 started out with Monday being "Crazy Day". Everyone was to dress crazily. Tuesday was the day of the Pageant and was "Dress-up Day". Wednesday, we went back a few years and had "50's Day". Everyone slicked down their hair and rolled up their pants. Thursday was hush button crazy hat day, and that evening was the parade and bonfire. The final day of Spirit week was Friday, when everyone wore school colors. In the afternoon was the Powder Puff game and pep rally. The week ended well with a Victory and a dance with WILLOW" as the band

Thanks for everything

Yearbooks are an awful lot of trouble and as the staff looks around the annual staff room with its overturned chairs, piles of rubbish and crashed pop cans we can think of the good and bad times we had.

It's a lot of trouble to put out a yearbook but it's even more trouble to put out a great yearbook and that's what we attempted this year.

To produce a great yearbook you need a great staff and this year the EDDY was the best staff that could be assembled.

We want to give a special thanks to the P.T. staff who helped to make every thing go. Also thanks for the cooperation everyone else gave.

We leave the 7th EDDY and we hope you will get many years of enjoyment out of it.

Thank You

The 7th EDDY Staff

KEEPSAKES by Florence H Steelman

Oh, the joy of memories
The joy of recollections!
The joy of keepsakes and souvenirs
That so hold our affections
A party invitation
A letter or a book
The memories of a shady lane
The sounds of a babbling brook
A baby shoe or tiny curl,
Such little things we treasure
Pictures, such dear reminders
That give us so much pleasure
And each year they grow more precious
These keepsakes that we hold
And we wouldn't part with either
For all their weight in gold
